

# CAR COAT 50

ECONOMICAL TOTAL BODY PROTECTANT

## Description:

Purple foaming, economical total body protectant shines, protects and repels no matter how old the surface.

## Container Availability:

5-gallon, 15-gallon, 30-gallon, 55-gallon

## Product Specifications:

Physical Form	Aqueous
Color	Dark Purple
Odor	Tropical Fruit
Specific Gravity	~1.0
Silicone Present	Yes
pH	5-6 (concentrate)

## Advantages:

3 in 1 system protects, shines and repels.

Helps keep your vehicle surface looking cleaner longer, improves wet weather driving.

Single application lasts for weeks; bonding to all surfaces reduces the hazardous nature of corrosive road salts, acid rain, damaging sunlight, etc. on your vehicle surfaces.

Light purple, foam lets customers know they have just received the product.

Application equipment and attractive marketing materials are available for product branding and recognition.

Minimal need for application cleaning!

## Directions for Application:

Dilute product 1:90-240 and apply to a clean surface and rinse. Longevity and durability will depend on dilution ratio. Drying agents and other sealants are not necessary with application.
