

COLOR GUARD

TRIPLE FOAM CONDITIONER / POLISH

DESCRIPTION:

Unique product is a conditioner and polish that produces a high amount of rich, vibrant cleaning foam that is fortified with protective agents that leave a glossy, water repelling surface!

CONTAINER SIZES:

5-gal Pail, 15-30-55-gal Drum, 275-gallon Tote

PHYSICAL PROPERTIES:

COLOR	Dark
ODOR	Tropical
pH @ 100%	6 to 8
VOC's	<5%
SPECIFIC GRAVITY	~1.0
FORM	Aqueous

CAUTIONS:

Contain: Quaternary ammonium compounds and is a heavily dyed substance. Wear adequate eye and skin protection when handling. Store at room temperatures and out of direct sunlight.

ADVANTAGES:

Vibrant red, blue, yellow, green and purple colors all with a tropical scent!

Cleans, shines, protects and repels!

Use a single color to enhance your middle wash package sales!

Diluted material will not produce waxy or silicone gel/slime inside of holding tanks!

Keeps following cloth cleaner!

DILUTION RATIOS:

Dilute 1:90-240 or inject 10-20 mL per color per vehicle. Adjust concentration until desired color or foam level is achieved.

Your customers will notice the difference!
