## HEAVY DUTY ALKALINE DETERGENT

### **DESCRIPTION:**

Heavy duty degreaser removes tough soils, greases, oils, fluids, carbon and waxy build up from walls, floors, machinery, equipment and other hard surfaces.

### **CONTAINER SIZES:**

5-gallon, 30-55 gallon, 275-gallon

### **PHYSICAL PROPERTIES:**

COLOR	Amber
ODOR	Detergent
pH @ 1%	12.5-13.0
VOC's	<5
SPECIFIC GRAVITY	1.20-1.30
FORM	Aqueous

### **CAUTIONS:**

Contains Potassium Hydroxide & Ethanolamines: causes severe irritation, burns and sores. Wear adequate eye and skin protection when handling. Store at room temperatures and out of direct sunlight.

### **ADVANTAGES:**

Heavy duty, high alkaline solution delivers powerful cleaning properties!

Breaks down extremely stubborn soils!

Fast rinsing and is a moderate foamer.

Use on walls, floors, equipment and other hard surfaces.

Good aluminum brightener!

### **DILUTION RATIOS:**

Heavy Duty Cleaning: 1:2-10

Medium Duty Cleaning: 1:15-40

Light Duty Cleaning: 1:45-90

High Pressure Pre-Soak: 1:50-150

### **Additional Cautions:**

Test in an inconspicuous spot before fully applying. Keep off of polished aluminum at all dilution ratios. Rinse thoroughly!
