

FLORO FOAM

ADVANCED FOAMING TRI-COLOR w/ TOTAL BODY PROTECTANT

DESCRIPTION:

Revolutionary tri-color foam with total body protectant qualities can be applied as single color foam or in triple foam systems as a foamy sealant.

Self breaking foam technology makes it the fastest and easiest rinsing product on the market!

Cleans * Shines * Protects * Repels!

CONTAINER SIZES:

5-gal Pail, 15-30-55-gal Drum, 275-gallon Tote

PHYSICAL PROPERTIES:

COLOR	Dark
ODOR	Fruity
pH @ 100%	6 to 8
VOC's	<5%
SPECIFIC GRAVITY	~1.0
FORM	Aqueous

CAUTIONS:

Contain: Quaternary Ammonium Compounds and is a heavily dyed substance. Wear adequate eye and skin protection when handling. Store at room temperatures and out of direct sunlight. Eye Irritant!

ADVANTAGES:

5 super bright color options and a unique fragrance will bring back the excitement of the triple foam. Pink, Blue, Yellow, Green and Purple!

Strong Tropical scent!

Instant improvement of surface gloss and extreme water repellency will have your customers buying again and again.

Use as single color foam to enhance a wash package.

Foam dissipates quickly reducing build up in door jams and latter racks!

DILUTION RATIOS:

Dilute 1:75-105 for use in a foam stick

Dilute 1:90-240 for use in a foaming spray arch
