

FWC

ACIDIC FLOOR/WALL CLEANER & D'SCALER

DESCRIPTION:

Aggressive acidic solution removes rust, oxidation, efflorescence, soap scum and more from walls, floors and metal surfaces without using Fluorides or Sulfuric acid.

CONTAINER SIZES:

5-gallon, 15-30-55-gallon, 275-gallon

PHYSICAL PROPERTIES:

COLOR	Clear
ODOR	Minty, slight pungent
pH @ 1%	2.0-3.0
VOC's	<4
SPECIFIC GRAVITY	1.05-1.10
FORM	Aqueous

CAUTIONS:

Contains: Hydrochloric & Phosphoric Acid. Will cause irritation, burns or sores and if gotten on skin, in eyes and if inhaled. Wear adequate eye and skin protection when handling. Do not breathe mists. Store at room temperatures and out of direct sunlight. Keep off of clothing! Read MSDS before using!

ADVANTAGES:

Aggressive solution is fast acting and performs on the dirtiest of surfaces.

For use on glass, brick, cement, FRP, aluminum, tile and more.

Low-odor blend and has a mild peppermint scent!

Corrosion inhibitors makes it easier on metal equipment.

High foaming for enhanced vertical cling!

Outstanding calcium build up remover!

DILUTION RATIOS:

Dilute 1:1-5 for heavy cleaning

Dilute 1:8-20 for everyday cleaning

Dilute 1:25-100 for a light acid wash
