

# HP FOAMY SEALANT 3XC

ULTRA CONCENTRATED, FOAMING CLEAR COAT SEALER

## **DESCRIPTION:**

Ultra Concentrated, clear coat protectant with drying agent properties produces eye catching "foam" and a strong scent so the customers know they are getting or applying it.

## **CONTAINER SIZES:**

5-gal Pail, 15-30 gallon drum

## **PHYSICAL PROPERTIES:**

COLOR	Green
ODOR	Apple
pH @ 100%	7 to 9
VOC's	<10%
SPECIFIC GRAVITY	~1.0
FORM	Aqueous

## **CAUTIONS: Eye & Skin Irritant**

Wear adequate eye and skin protection when handling. Store at room temperatures and out of direct sunlight! Do not expose this concentrate to cold temperatures (<40°F).

## **ADVANTAGES:**

Ultra concentrated product reduces large container clutter and shipping costs!

Produces visible fast breaking foam in low-high pressure applications that shows the customer they are receiving the product.

Instantly repels the water from the surface leaving it drier, shinier and protected.

Green apple scented.

## **DILUTION RATIOS:**

Dilute 1:500-1500+

*Your customers will notice the difference!*
