

# INSTA-WHITE

## WHITEWALL-LETTER BRIGHTENER

### **DESCRIPTION:**

This powerful "solvated" detergent quickly loosens baked on oils, brake dust and other grime from white-letters and white-walls in one easy "no scrub" application.

### **CONTAINER SIZES:**

5-gallon, 15-30-55-gallon, 275-gallon

### **PHYSICAL PROPERTIES:**

COLOR	Yellow Orange
ODOR	Citrus-Solvent Like
pH @ 100%	<11.0
VOC's	<25%
SPECIFIC GRAVITY	0.96-0.98
FORM	Aqueous

### **CAUTIONS:**

Contains a high amount of solvents and surfactants: causes irritation and dryness if gotten on skin. Wear adequate eye and skin protection when handling. Store at room temperatures and out of direct sunlight. Do not breathe mists!

### **ADVANTAGES:**

Simply, apply and high pressure rinse off formula nearly eliminates back breaking scrubbing.

Increase "a la carte" sales without slowing down the line!

Gets the dulled looking letters and walls back that new appearance.

Great at removing tar and other sticky soils as well!

Water based and water dilutable!

### **DILUTION RATIOS:**

Use product as is or dilute up to 1:3! Apply to white-letters and let dwell for up to 1 minute. Scrub if necessary or simply rinse by holding high pressure nozzle 1" from tire surface.
