

ORANGE CLEAN 50 WS

WATER BASE ORANGE SOLVENT DEGREASER

DESCRIPTION:

Powerful, water based cleaning solution formulated with d'limonene (natural orange solvent) removes grease, grime and other tacky and sticky soils from many surfaces!

CONTAINER SIZES:

5-gallon plastic or Steel 55-gal Drum

PHYSICAL PROPERTIES:

COLOR	Clear
ODOR	Citrus/Ether Like
pH	NA
VOC's	<20%
SPECIFIC GRAVITY	0.89-0.91
FORM	Aqueous

CAUTIONS: Eye & Skin Irritant

Contains: Solvents and Surfactants. Keeps lids closed when not in use. Store at room temperatures and out of direct sunlight. Keep away from areas of high heat!

ADVANTAGES:

Dissolves: tar, grease, oils, fluids, tire marks and other tough soils from many surfaces!

Safe on painted surfaces!

Works where many water based cleaners do not!

Citrus scent!

Can replace many solvent cleaners!

Can be diluted with water!

DIRECTIONS FOR USE:

Use solution preferably as is, apply by spraying or use a saturated sponge on surface to be clean. Allow to dwell then wipe dry in rinse clean with water. Can be diluted with water and will remain stable but will turn white!

The Power of Orange!
