CAUTIONS: Eye & Skin Irritant

Contains: Polymers and Glycol Ethers. Will cause irritation and dryness if gotten on skin. Wear adequate eye and skin protection when handling. Do not breathe concentrated mists. Store at room temperatures and out of direct sunlight.

ADVANTAGES:

Ready to use solution is economical and easy to use!

Fast acting formula removes the toughest stains from many substrates safely and effectively!

Polymers provide extra cleaning power and protection!

Fresh Scent!

Produces a dry-foam for "on the go" cleaning!

DILUTION RATIOS:

Use solution preferably as is. It can be diluted up to 1:5-10 for light cleaning.

Apply to surface by spraying or in a "foamy" state, allow to dwell then scrub with brush or sponge.
